

RE : Career & Education 2013

Swee Hong participated at Career & Education 2013 under BCA's Built Environment Pavilion booth on March 1-3 at the Marina Bay Sands Convention Center.

The event focused on education, recruitment and training which aimed at equipping not only job seekers but also current employees with the necessary strategy in getting ahead.

The Built Environment Pavilion was presented by BCA, Swee Hong and other industry partners. It aimed at offering a glimpse of the wide range of exciting careers, scholarship opportunities and courses that are available to prepare the potential individual for a challenging and rewarding career in the built environment industry.
