

## RE : Swee Hong Bowling Party @ Orchid Country Club

On 16 August 2013, around 70 staff of Swee Hong gathered together in a Bowling Party. After work, they met at Orchid Bowl at the Orchid Country Club and had a delicious dinner buffet to recharge their energy before the showdown began.

All staff were randomly allocated into 10 teams and everyone got to mingle with their team members as they got ready for the game. The friendly bowling competition allowed staff from different project sites to bond with each other on a different level ending with the top 3 teams winning vouchers as a thoughtful bonus.

The event ended memorably with our Managing Director's encouraging words and a smile etched on everyone's faces.
