Mass Prayer held at Bukit Brown Cemetery

On 28 November 2013, LTA and Swee Hong organized a Mass Prayer at Bukit Brown cemetery as an inception for Public Exhumation.

The Land Transport Authority (LTA) has recently awarded the 4-lane road and bridges – New Road Between MacRitchie Viaduct and Adam Flyover to Swee Hong Limited as the main contractor. Before construction of road and bridges commence, a 10-month public exhumation will take place from December 2013 up to October 2014. The 5% affected graves from Bukit Brown cemetery has to be relocated. A Mass Prayer was held to pay for peace and well being of the departed souls prior to exhumation. It was participated by seven (7) Inter-Religious Organization (IROs) faiths together with the Next-of-Kin (NOK). The crowd including the media and the public was estimated to be around ~400-500.

The project which officially started in September 2013 is expected to be completed by 2017. Public Exhumation will start on 17 December 2013, respectively.
