

RE : 4th Built Environment Scholarship, Training and Career Fair 2012

BCA organized the 4th Built Environment Scholarship, Training and Career Fair 2012 at BCA Academy on 14 January 2012. It was a dedicated career fair targeted to attract graduates, jobseekers and top talents seeking a fulfilling career in the built environment industry. A total of 20 industry firms, associations and institutes of higher learning participated in the fair and it was a great opportunity for Swee Hong to showcase our organization and search for talents at both the professional and technical levels.
