

RE : Swee Hong Celebrates Going Public

On the 21st of May 2012, Swee Hong gave a staff dinner to celebrate its announcement of getting listed on SGX. Swee Hong Engineering Construction Pte Ltd was changed to Swee Hong Limited.

There were a total of 107 staff and management that joined in the joyous occasion on the company going public listed. An 8-course Chinese menu was served together with beer. To kick off the evening, we had our Managing Director, Mr Ong Hock Leong who gave an introductory speech which included the company now and what it hopes to achieve in the years ahead.

Fun interactive games were played that set the entire room with much noise and laughter. Lucky draw prizes were given out but not without a little swing and dance to the stage to receive their prizes.
