

RE : Swee Hong Talentime 2011

It was an evening of excitement versus nerves as 25 contestants belted their hearts out to their favorite songs as they competed their way to the top 3 prizes of the night. Held at the K Box Orchard Cineleisure, the function accommodated close to 90 staff from Swee Hong.

The event started promptly at 6.30 with a sumptuous buffet dinner followed by the company's sharing session chaired by Senior Manager, Kenneth Lim. During that time, Kenneth shared Swee Hong's involvement on the Construction Engineering Capability Development (CED) Program.

The evening's program included interactive fun games and a lucky draw session. Employees were also appreciated in a special way when they were called up onstage to receive their medals of recognition.

The karaoke competition got underway for the next couple of hours. Kenneth mentioned at the beginning of the competition that this segment was also a time to donate generously to your favourite singer and Swee Hong promised to double the amount by the end of the evening. The contributions would then be given to charity for Japan's tsunami relief causes. The judges of the competition – Andrew Yeo, Taufik Abdullah, Thu Zhu Tun and our VIP deliberated and finally announced the following winners:

1st prize – Joaquin Rodriguez
2nd prize – Gao Yun Long
3rd prize – Foong Wei Lern

The joyous event ended on a high note after a birthday celebration for our Managing Director, Ong Hock Leong. All in all, it was an entertaining evening that all enjoyed.
