

RE :Board of Examiners for BCA Academy

Kenneth Lim has been appointed to serve as a member on the Board of Examiners by BCA Academy in BCA's program of Specialist Diploma in Building Information Modeling (BIM). He will take on his new appointment with BCA Academy with effect from 1st August 2011.

His new role includes advising on the standard of the examinations to ensure excellence and the relevancy to the industry, to review the examination papers as well as to suggest improvement to the examinations.

We are pleased that Kenneth has been chosen by BCA to represent Swee Hong to contribute and strengthen the construction industry.
