

RE : Swee Hong Dinner & Dance 2014 – Masquerade: A Night of Mystery

The night of 23rd May proved to be one full of mysteries and secrecy. Displaying their enthusiasm towards this annual event, the staff of Swee Hong Limited made great efforts to dress up according to the theme that night. The whole atmosphere was further brought to life with the help of our wonderful emcee, Edward Malcolm.

The highlight of the night, despite all the awesome games, would be the Lucky Draw, with the grand prize this year being the LG 42" Digital Television equipped with a LG Sound Bar to further enhance the sound quality. The lucky winner who walked away with this grand prize was Hernal Jose Michael Geralde and happy indeed, he was! Those who did not manage to receive any prizes did not go back empty handed either, for they have happy memories and a night filled with and laughter to look back on.
