

RE : NUS Career Fair 2013

The annual NUS Career Fair took place on 29 January at NUS's Multi-Purpose Sports Hall. With over 200 companies participating in the on-campus recruitment event, Swee Hong didn't want to miss the opportunity to network with potential employees.

The fair also featured career and industry talks by industry practitioners on what recruiters looked for and what the employment outlook for the coming year would be like.
